1. 14 common gauge nail penetrate a 3 ½″ dry girder?
2. 40 penny nail penetrate a 2″ green girder?
3. 11 ½ common gauge nail penetrate a 3″ dry pole?
4. 12 ½ box gauge nail penetrate a 5/8″ dry rafter?
5. 10 penny nail penetrate a 1 ¼″ green timber?
6. 6 penny nail penetrate a 2 ½″ dry frame?
7. 10 ½ box gauge nail penetrate a 3/8″ dry dimension?
8. 5 penny nail penetrate a 3″ dry plank?
9. 40 penny nail penetrate a 1 ½″ dry beam?
10. 16 penny nail penetrate a 1 ¼″ dry dimension?
11. 10 penny nail penetrate a 4 ½″ dry pole?
12. 20 penny nail penetrate a 4 ½″ dry frame?
13. 50 penny nail penetrate a ½″ green joist?
14. 3 penny nail penetrate a 4″ dry joist?
15. 16 penny nail penetrate a 1″ green board?
16. 30 penny nail penetrate a ½″ dry rafter?
